

# **CURRICULUM VITAE (Abbreviated Version 6/15/25)**

Waridibo (Wari) E. Allison MD, PhD, FACP, CPE, FIDSA

## **EDUCATION:**

<b><u>Year graduated</u></b>	<b><u>Degree</u></b>	<b><u>Discipline</u></b>	<b><u>Institution/Location</u></b>
2009	PhD	Public Health and Community Medicine	The Kirby Institute, University of New South Wales, Sydney, Australia
2000	MBBS (equivalent to MD in the USA)	Medicine	Imperial College School of Medicine, London, UK
1995	BSc	Anatomical Sciences	University of Dundee, Scotland, UK

## **TRAINING:**

### *Leadership*

<b><u>Duration</u></b>	<b><u>Program</u></b>	<b><u>Institution/Location</u></b>
10/2024 – Current (12 - month program)	Stagen Integral Leadership Program (ILP)	Stagen Leadership Academy, Dallas, TX, USA Hybrid Program

<b><u>Year completed</u></b>
2021

<b><u>Program</u></b>
Certified Physician Executive Capstone

<b><u>Institution/Location</u></b>
American Association for Physician Leadership, Atlanta, GA, USA Virtual program

### *Research*

<b><u>Year completed</u></b>
2023

<b><u>Program</u></b>
Policy focused Implementation Science Training

<b><u>Institution/Location</u></b>
New York University (NYU), New York, NY, USA Virtual Program

<b><u>Year completed</u></b>
2018

<b><u>Program</u></b>
CerTAIN Implementation Science Methods Workshop

<b><u>Institution/Location</u></b>
MD Anderson Cancer Center, Houston, TX, USA

***Communication*****Year completed**  
2021**Program**  
Robert Wood Johnson Foundation Strategic Communication Training Program**Institution/Location**  
Robert Wood Johnson Foundation, Princeton, NJ, USA  
Virtual program**Year completed**  
2021**Program**  
Write to Change the World Workshop**Institution/Location**  
The Op-Ed Project, USA  
Virtual program***Clinical Fellowship*****Year completed**  
2015**Discipline**  
Infectious Disease**Institution/Location**  
New York University (NYU) School of Medicine, NYU Langone Medical Center and Affiliated Hospitals, NY, USA***Clinical Residency*****Year completed**  
2013**Discipline**  
Internal Medicine**Institution/Location**  
New York Presbyterian Hospital, Weill Cornell, NY, USA

2010

Emergency Medicine

Liverpool Hospital and Prince of Wales Hospital, Sydney, Australia

***Clinical Internship*****Year completed**  
2011**Discipline**  
Internal Medicine**Institution/Location**  
Mount Sinai (Bronx)/ James J Peters Veteran Affairs Medical Centre, NY, USA

2001

Medicine, Surgery, General Practice (Family Medicine)

Royal Oldham Hospital, Manchester, UK

**CERTIFICATION AND LICENSURE:*****Board Certification***

<b><u>Description/Agency</u></b>	<b><u>Status</u></b>	<b><u>Date Acquired</u></b>	<b><u>Number</u></b>	<b><u>Expiration</u></b>
American Board of Internal Medicine (ABIM) - Subspecialty	Certified	11/2015	N/A	12/2030

Certification in Infectious Diseases

ABIM – Certification in Internal Medicine	Recertification In Progress	08/2014	N/A	12/2024
---	-----------------------------	---------	-----	---------

***Other Certification***

<u>Description/Agency</u>	<u>Status</u>	<u>Date Acquired</u>	<u>Number</u>	<u>Expiration</u>
Certified Physician Executive (CPE) – The American Association for Physician Leadership	Certified	05/2021	N/A	No expiration
Media and Medicine Certification Program – Harvard Medical School	Certified	06/2021	N/A	No expiration
Educational Commission for Foreign Medical Graduates	Certified	08/25/2008	0-594-092-9	No expiration

***License to Practice***

<u>Description/Agency</u>	<u>Status</u>	<u>Date Acquired</u>	<u>Number</u>	<u>Expiration</u>
Texas State Physician License	Active	07/01/2016	Q8820	08/31/2026
Australian Health Practitioner Registration Agency	Active	08/07/2001	MED0001190808	09/30/2025

***Registration***

<u>Description/Agency</u>	<u>Status</u>	<u>Date Acquired</u>	<u>Number</u>	<u>Expiration</u>
Controlled Substance Registration – Drug Enforcement Agency	Certified	05/16/2019	FA6386773	06/30/2028
General Medical Council, United Kingdom	Registered without a license to practice since 06/19/2013	07/14/2000 (initially registered with license to practice)	4719726	06/02/2026

## **ACADEMIC LEADERSHIP POSITIONS AND FACULTY APPOINTMENTS:**

2022 - Present	Professor – College of Public Health, Department of Health Administration and Health Policy  Vice President of Health Policy	University of North Texas Health Science Center at Fort Worth, TX, USA
	Executive Director – Center for Health Policy	
	Associate Professor - College of Osteopathic Medicine (TCOM)	
2017 - Present	Associate Professor/Research (Adjunct from March 2022) Department of Medicine, Division of Infectious Diseases and Center for Research to Advance Community Health	University of Texas Health Science Center at San Antonio (UT Health San Antonio), San Antonio, TX, USA
	Assistant Professor/Research Department of Medicine, Division of Infectious Diseases and Center for Research to Advance Community Health	
2016 - 2018	Adjunct Assistant Professor	NYU, School of Medicine, Department of Population Health, New York, USA
2008 – 2010	Lecturer (Research)	The National Centre in HIV Epidemiology and Clinical Research, Faculty of Medicine, University of New South Wales, Sydney, Australia

## **NON-ACADEMIC LEADERSHIP POSITIONS**

2025 - Present	Program Director	University of North Texas Health Science Center South Central AIDS Education Training Center (AETC)
2023 - Present	Principal Investigator/Clinical Director	University of North Texas Health Science Center South Central AIDS Education Training Center (AETC)
2022 - Present	Program Director/Principal Investigator	Integrating the National HIV Curriculum e-Learning Platform into Health Care Professions Programs

2020 - Present	Program Director/Principal Investigator	National Rural Telementoring Training Center
2020 - 2022	Program Director/Principal Investigator	UT Health San Antonio South Central AIDS Education Training Center (AETC)
2019 - 2022	Director	UT Health San Antonio Extension for Community Healthcare Outcomes (ECHO) Program, Center for Research to Advance Community Health, San Antonio, TX, USA.
2017 - 2022	Founding Medical Director	San Antonio AIDS Foundation, Care Clinic, San Antonio, TX, USA

### **OTHER POSITIONS HELD:**

2025 - Present	HIV and STI Clinic Provider (hourly contractual)	CAN Community Health, Arlington, TX, USA
2015 - 2017	Locum Tenens Physician – various Emergency Department locations around Australia	Healthcare Australia Locum Agency, Sydney, Australia
2015	Research Scientist	NYU School of Medicine – Division of Infectious Diseases and Immunology, NYU Langone Medical Center and affiliated hospitals, NY, USA
2013 - 2015	Infectious Disease Fellow	New York University (NYU) School of Medicine, NYU Langone Medical Center and Affiliated Hospitals, NY, USA
2011-2013	Internal Medicine Resident	New York Presbyterian Hospital, Weill Cornell, NY, USA
2010 - 2011	Internal Medicine Intern	Mount Sinai (Bronx)/ James J Peters Veteran Affairs Medical Centre, NY, USA
2009 - 2010	Locum Tenens Physician – various Emergency Department locations around Australia	Healthcare Australia Locum Agency, Sydney, Australia
2005 - 2010	Emergency Medicine Registrar	Prince of Wales Hospital, Sydney, Australia
2003 - 2005	Emergency Medicine Registrar	Liverpool Hospital, Sydney, Australia

2001 - 2003	Resident – various rotations: Medicine, Pediatrics, Psychiatry, Emergency Medicine, Oncology, Geriatrics, Obstetrics and Gynecology	Liverpool Hospital, Sydney, Australia
2000 - 2001	Pre-Registration House Officer: Medicine, Surgery, General Practice	Royal Oldham Hospital, Manchester, UK

## **HONORS AND AWARDS:**

03/2024 2024 Finalist for the Presidential Awards for Excellence in Science, Mathematics and Engineering Mentoring - the Nation's highest honors for mentors who work with underrepresented groups to develop fully the Nation's human resources in STEM

11/2021 Elected to fellowship of the Infectious Disease Society of America

11/2020 Elected to fellowship of the American College of Physicians

11/2019 Bexar County Medical Society – Outstanding Women in Medicine Award

10/2019 UT Health San Antonio Long School of Medicine – Rising Research Superstar Award

09/2018 UT Health San Antonio Institute for Integration of Medicine and Science. Community Engagement Hero Award for Outstanding Community Researcher

07/2018 Association of American Medical Colleges – Early Career Women Faculty Leadership Development Seminar - selected (competitive national application process)

11/2008 University of New South Wales - Dean's List for outstanding research (during PhD candidature)

2005-2009 University of New South Wales Endeavour International Research Scholarship - (full scholarship for PhD Candidature)

## **RESEARCH**

### **RESEARCH FUNDING AWARDED**

#### **Federal**

**Project #:** U5ARH45728  
**Funding Agency:** US Health Resources and Services Administration – Federal Office of Rural Health Policy  
**Title:** Rural Telementoring Training Center

<b>Status:</b>	Current
<b>Period:</b>	09/2023 – 08/2026 (following competitive renewal)
<b>Role:</b>	Principal Investigator/ Program Director
<b>Total Costs:</b>	\$2,250,000
<b>Grant Detail:</b>	This grant is to continue the work of the national Rural Telementoring Training Center (RTTC). The RTTC provides tailored training and technical assistance for implementation of new or improvement of existing telementoring programs serving rural American communities
<b>Project #:</b>	U1OHA33225
<b>Funding Agency:</b>	US Health Resources and Services Administration (HRSA) HIV/AIDS Bureau
<b>Title:</b>	AIDS Education Training Centers Program
<b>Status:</b>	Current
<b>Period:</b>	07/2020 – 06/2024 (commenced 07/2023) New performance period 07/2024 – 06/2029
<b>Role:</b>	Regional Partner Site Program Director/Principal Investigator/ Clinical Director
<b>Total Costs:</b>	\$3,041,653 (primary grantee)
<b>Grant Detail:</b>	The AIDS Education and Training Centers (AETC) Program is the training arm of the Ryan White HIV/AIDS Program. The AETC Program is a national network of leading HIV experts who provide locally-based, tailored education, clinical consultation and technical assistance to healthcare professionals and healthcare organizations to integrate high quality, comprehensive care for those living with or affected by HIV. This grant is awarded as a South Central AETC Regional Partner Site and grant subawardee and is renewable annually for the grant performance period.
<b>Project #:</b>	T29HP46747
<b>Funding Agency:</b>	US Health Resources and Services Administration (HRSA) Bureau of Health Workforce
<b>Title:</b>	Community Health Worker Training Program
<b>Status:</b>	Completed subaward activities
<b>Period:</b>	09/2022 – 04/2024
<b>Role:</b>	Consultant for Evaluation, Policy and Dissemination
<b>Total Costs:</b>	\$19,884 (subaward)
<b>Grant Detail:</b>	This grant support projects that will increase the number of Community Health Workers (CHWs) and Health Support Workers and equip them with the skillsets needed to provide effective community outreach build trust with communities, support connections to and retention in care and support services.
<b>Project #:</b>	U1OHA45786
<b>Funding Agency:</b>	US Health Resources and Services Administration (HRSA) HIV/AIDS Bureau
<b>Title:</b>	Integrating the National HIV Curriculum e-Learning Platform into Health Professional Program
<b>Status:</b>	Current
<b>Period:</b>	09/2022 – 05/2027
<b>Role:</b>	Principal Investigator/Program Director
<b>Total Costs:</b>	\$3,000,000
<b>Grant Detail:</b>	The AIDS Education and Training Centers (AETC) Program is the training arm of the Ryan White HIV/AIDS Program. This program provides resources to support integration of the National HIV Curriculum into health professional programs nationally

<b>Project #:</b>	U5ARH39480
<b>Funding Agency:</b>	US Health Resources and Services Administration – Federal Office of Rural Health Policy
<b>Title:</b>	Rural Telementoring Training Center
<b>Status:</b>	Completed with successful competitive renewal
<b>Period:</b>	09/2020 – 08/2023
<b>Role:</b>	Principal Investigator/ Program Director
<b>Total Costs:</b>	\$2,999,676
<b>Grant Detail:</b>	This grant is to establish the new Rural Telementoring Training Center (RTTC). The RTTC will train academic medical centers and other centers of excellence to create technology-enabled telementoring learning programs to support best practice care in rural and underserved areas.
 <b>Project #:</b>	 U1OHA33225
<b>Funding Agency:</b>	US Health Resources and Services Administration (HRSA) HIV/AIDS Bureau
<b>Title:</b>	AIDS Education Training Centers Program
<b>Status:</b>	Completed
<b>Period:</b>	07/2019 – 06/2023
<b>Role:</b>	Subaward Regional Partner Site Principal Investigator/ 2019-2022, Curriculum Development, Telementoring and Evaluation Advisor/ 2022-2023
<b>Total Costs:</b>	\$3,041,653 (primary grantee)
<b>Grant Detail:</b>	The AIDS Education and Training Centers (AETC) Program is the training arm of the Ryan White HIV/AIDS Program. The AETC Program is a national network of leading HIV experts who provide locally-based, tailored education, clinical consultation and technical assistance to healthcare professionals and healthcare organizations to integrate high quality, comprehensive care for those living with or affected by HIV. This grant is awarded as a South Central AETC Regional Partner Site and grant subawardee and is renewable annually for the grant duration.
 <b>Project #:</b>	 U90HA31461
<b>Funding Agency:</b>	US Health Resources and Services Administration (HRSA) – HIV/AIDS Bureau. Secretary's Minority AIDS Initiative Fund SMAIF) – Special Project of National Significance
<b>Title:</b>	Curing Hepatitis C among People of Color Living with HIV
<b>Status:</b>	Completed
<b>Period:</b>	09/2017 – 03/2022
<b>Role:</b>	Principal Investigator / Program Director
<b>Total Costs:</b>	\$6,183,773
<b>Grant Detail:</b>	The goal of this project across South Texas is to integrate HIV, HCV and substance use disorder services, educate providers and the community about HIV/HCV co-infection, improve access of co-infected people to curative treatment for HCV, improve acute and chronic HCV surveillance
 <b>Project #:</b>	 Not applicable – Australian Government Federal Grant
<b>Funding Agency:</b>	National AIDS Council, Papua New Guinea/ Australian Government AusAID HIV Research Grant
<b>Title:</b>	Clinical and demographic predictors of pediatric HIV infection in Papua New Guinea
<b>Status:</b>	Completed

**Period:** 2007 – 2009  
**Role:** PhD Candidate Co-Investigator  
**Total Costs:** \$83,950  
**Grant Detail:** The goal of this prospective study was to ascertain clinical and demographic predictors of pediatric HIV infection in Papua New Guinea

### **State**

**Project #:** RP250355  
**Funding Agency:** Cancer Prevention and Research Institute of Texas  
**Title:** The Texas Collaborative Center for Hepatocellular Cancer (TeCH)  
**Status:** Current  
**Period:** 02/2025 – 01/2026 (following competitive renewal)  
**Role:** Health Policy Core Lead  
**Total Costs:** \$3,000,000  
**Grant Detail:** The goal of the Collaborative Action Program to Reduce Liver Cancer Mortality in Texas is to position Texas as a national leader in reversing the trajectory of liver cancer incidence and mortality. Consultant role in TeCH is to lead establishment of a Health Policy Core within the Center.

**Project #:** PP170042  
**Funding Agency:** Cancer Prevention and Research Institute of Texas  
**Title:** University Health System Hepatitis Viral Infection and Systematic Treatment Program (HepVISTA)  
**Status:** Completed  
**Period:** 02/2017 – 02/2020  
**Role:** Evaluator  
**Total Costs:** \$1,240,000  
**Grant Detail:** HepVISTA focused on preventing hepatocellular carcinoma in baby boomers through expanded HCV screening, patient and provider education, and culturally and linguistically tailored patient navigation. Consultant role was as an Evaluator contributing to perspective on data analysis and interpretation

### **Private**

**Project #:** Not applicable  
**Funding Agency:** Aetna/CVS  
**Title:** Leveraging Telementoring for Primary Care Provider Pediatric Disability Education in Texas – A Pilot Program  
**Status:** Completed  
**Period:** 02/2024 – 02/2025  
**Role:** Principal Investigator  
**Total Costs:** \$75,000  
**Grant Detail:** Aetna Strategic Community Investment Grant. The goal of this grant is to carry out a needs assessment and utilize it for tailored disability telementoring resources for primary care providers in Texas inclusive of rural locations

**Project #:** Not applicable

<b>Funding Agency:</b>	Cardea Services
<b>Title:</b>	Sexually Transmitted Disease Extension for Community Healthcare Outcomes (ECHO)
<b>Status:</b>	Completed
<b>Period:</b>	07/2020 – 12/2020
<b>Role:</b>	Program Director
<b>Total Costs:</b>	\$24,000
<b>Grant Detail:</b>	Cardea Services has contracted with the UT Health San Antonio ECHO Program to launch and run an ECHO to provide technical assistance and education for delivery of STD services via telehealth.
 <b>Project #:</b>	 Not applicable
<b>Funding Agency:</b>	UT Health San Antonio
<b>Title:</b>	Community Engagement Grant
<b>Status:</b>	Completed
<b>Period:</b>	03/2018 – 03/2019
<b>Role:</b>	Principal Investigator
<b>Total Costs:</b>	\$5,000
<b>Grant Detail:</b>	The goal of this project was engagement with the Kickapoo Traditional Tribe of Texas for Hepatitis C education and needs assessment data collection.
 <b>Project #:</b>	 Not applicable
<b>Funding Agency:</b>	Kleberg Scholar Grant, UT Health San Antonio
<b>Title:</b>	Evaluation of risk perception and prevention knowledge in young people newly diagnosed with HIV infection in South Texas.
<b>Status:</b>	Completed
<b>Period:</b>	04/2018 – 03/2020
<b>Role:</b>	Principal Investigator
<b>Total Costs:</b>	\$22,859
<b>Grant Detail:</b>	The goal of this study was to evaluate perception of HIV risk and prevention knowledge in young people newly diagnosed with HIV infection
 <b>Project #:</b>	 Not applicable
<b>Funding Agency:</b>	Gilead Sciences – Investigator Initiated Research Grant
<b>Title:</b>	Screening for HCV infection in a large urban Emergency Department in New York City
<b>Status:</b>	Completed
<b>Period:</b>	07/2014 – 12/2015
<b>Role:</b>	Infectious Disease Fellow Co-Investigator
<b>Total Costs:</b>	\$270,000
<b>Grant Detail:</b>	The goal of this project was to screen for HCV infection in a large urban Emergency Department in New York City and to evaluate cost effectiveness and optimal strategies for linkage to care
 <b>Project #:</b>	 Not applicable
<b>Funding Agency:</b>	Tibotec - Research and Education in HIV/AIDS for Resource Poor Countries Initiative Grant
<b>Title:</b>	Diagnosis of tuberculosis in HIV infected and HIV Uninfected children in Papua New Guinea with a T-cell based assay
<b>Status:</b>	Completed
<b>Period:</b>	2008 – 2010

<b>Role:</b>	PhD Candidate Co-Investigator
<b>Total Costs:</b>	\$85,000
<b>Grant Detail:</b>	The goal of this prospective cohort study was to investigate diagnosis of tuberculosis in HIV infected and HIV Uninfected children in Papua New Guinea with a T-cell based assay

## **RESEARCH PROJECTS/PROGRAMS:**

03/2025 – Current <i>Global and International Health</i>	Ghana Special Sessions – HIV/HCV and Viral Hepatitis Extension for Community Healthcare Outcomes (ECHO) telementoring sessions with Ghana wide attendees. Role – Program Lead
02/2024 - Current	Leveraging Telementoring for Primary Care Provider Pediatric Disability Education in Texas – A Pilot Program Role: Principal Investigator
01/2024 – Current <i>Global and International Health</i>	Cultural and Local Adaptation of Neurocognitive Scales for Cognitive Decline related to Viral Hepatitis Infection in Ghana, West Africa (Collaboration with University of Cape Coast, Ghana) Role – Co-Principal Investigator
09/2022 – 09/2023 <i>Global and International Health</i>	Nigeria Sickle Cell and Diabetes ECHO telementoring sessions. Collaboration with Association of Nigerian Physician in the Americas Role: Consultant
09/2022- Current	Integrating the National HIV Curriculum e-Learning Platform into Health Care Professions Programs Role: Program Director/Principal Investigator
09/2020 - Current	National Rural Telementoring Training Center. Role: Program Director/Principal Investigator
09/2022 – 04/2024	Community Health Worker Training Program Role: Subaward Site Lead – Evaluation, Policy and Dissemination consultation
03/2020 – 12/2022	Development and Dissemination of HIV prevention education tools targeting minority youth at risk of HIV infection in South Texas Role: Principal Investigator
09/2017 – 03/2022	Targeted Access to Community Knowledge, Linkage to treatment and Education for HIV/HCV in people of color - (TACKLE HIV/HCV in people of color). Role: Program Director/Principal Investigator

12/2018 – 12/2021 <i>Global and International Health</i>	Comprehensive review and analysis of the HIV patient database containing records of approximately 25,000 patients since the US President's Emergency Plan for AIDS Relief (PEPFAR) funded program started in 2004. (Collaboration with the Nigerian Institute of Medical Research, Lagos, Nigeria). Role: Principal Investigator
03/2018 – 03/2020	Perceptions of HIV risk and knowledge of HIV prevention strategies among minorities recently diagnosed with HIV infection in South Texas. Role: Principal Investigator
05/2018 – 08/2019	Research Activity and Community Engagement to Screen, Treat and Organize Prevention for Hepatitis C (HCV) – (RACE to STOP HCV). (Collaboration with Kickapoo Traditional Tribe of Texas, Eagle Pass, TX). Role: Principal Investigator
01/2015 – 12/2017	Knowledge and acceptability of Human Papillomavirus vaccination and acceptability of text message vaccine reminders among adolescents and their parents presenting to two urban Emergency Departments. Role: Co- Principal Investigator
07/2014 – 01/2017	Screening for Hepatitis C Virus infection in a large urban ED in NYC: target population, cost effectiveness and optimal strategies for linkage to care. Role: Co-Investigator
04/2014 – 12/2015 <i>Global and International Health</i>	Community Screening to Ascertain the Prevalence Hepatitis B and C in Daboya, Northern Ghana (collaboration with Kwame Nkrumah University of Science and Technology, Kumasi, Ghana and Loyola University, Chicago) Role: Co-Investigator
07/2014 – 10/2015	Knowledge about Hepatitis C Virus, acceptability of testing and linkage to care among baby boomers presenting to a large urban Emergency Department (ED) and assessment of HCV knowledge among health care providers in the same ED. Role: Co-Investigator
08/2010 – 10/2012	Qualitative and quantitative assessment of the implementation of routine HIV testing at the James J Peters Veteran Affairs Medical Center. Role: Co-Investigator
09/2008 – 01/2012 <i>Global and International Health</i>	Diagnosis of tuberculosis in HIV infected and HIV Uninfected children in Papua New Guinea with a T-cell based assay: A prospective cohort study. (Collaboration with Department of Pediatrics, Port Moresby General Hospital) Role: Co-Investigator
03/2005 – 03/2009 <i>Global and International Health</i>	Epidemiological and clinical aspects of diagnosis of pediatric HIV infection in a resource limited setting. (Collaboration with Department of Pediatrics, Port Moresby General Hospital). Role: Co-Investigator

07/1996 – 08/1996	Mutational analysis of the Type VII Collagen gene (COL7A1) Supervisor: Professor Robin Eady, Role: Student Laboratory Assistant
07/1995 – 08/1995	DNA Sequence Analysis of Keratin 5 in Epidermolysis Bullosa Simplex (Weber Cockayne) patients. Supervisor: Professor Birgit Lane & Dr. Irwin McLean Role – Student Laboratory Assistant
10/1994 – 03/1995	Senior Honors (BSc) Thesis Project: Population Variation in Keratin Genes. Supervisor: Professor Birgit Lane & Dr. Irwin McLean Role: Student Laboratory Assistant
07/1994 – 08/1994	Bacterial Expression of Chicken Filensin. Supervisor: Dr. Roy Quinlan Role: Student Laboratory Assistant

10/2006 *International* 18th Annual Australasian Society of HIV Medicine Conference, October 2006, Melbourne, Australia. Current practice in testing admitted children for HIV serostatus at Port Moresby General Hospital. Poster presentation

## **TEACHING**

### **ACADEMIC TEACHING AND MENTORING:**

#### ***Group Instruction***

<b><u>Date</u></b>	<b><u>Description</u></b>	<b><u>Institution</u></b>	<b><u># Health care workers/students</u></b>
11/20 - Present	Resources, Advice, Insight, Support and Empowerment for Women in Academia – 30 contact hours per annum	UT Health San Antonio and UNT Health Science Center at Fort Worth	805

*Providing resources and support for women in academia within a vibrant virtual community of practice and learning facilitated by monthly telementoring sessions*

10/2018 – 03/2022      Infectious Disease Specialist and      UT Health San      1387  
                                     Didactic Presenter for UT Health      Antonio  
                                     San Antonio ECHO Program –  
                                     49 contact hours

*Providing infectious disease and telemedicine education and technical assistance for healthcare workers within ECHO sessions related to HIV/HCV coinfection, HCV infection and COVID-19 telemedicine implementation technical assistance.*

March 9, 2019      Infectious Disease Team 6      UT Health San      20  
                                     Lecture – 1 contact hour      Antonio  
                                     *Teaching lecture for Team 6, the HIV inpatient service team. Lecture title - Women and HIV*

November 8, 2018      Infectious Disease Team 6      UT Health San      20  
                                     Lecture – 1 contact hour      Antonio

*Teaching lecture for Team 6, the HIV inpatient service team. Lecture title - PrEP: where we've been, where we are and where we're going.*

July 30, 2018      Teaching Lecture -      U.S Military-Baylor      20  
                                     2 contact hours      University

*Invited Teaching Lecture for students of the U.S Military-Baylor University Graduate Program in Nutrition. Lecture title – HIV Infection*

March 9, 2018      Infectious Disease Team 6      UT Health San      20  
                                     Lecture – 1 contact hour      Antonio

*Teaching lecture for Team 6, the HIV inpatient service team. Lecture title - Women and HIV*

January 4, 2018      Infectious Disease Team 6      UT Health San      20  
                                     Lecture – 1 contact hour      Antonio

*Teaching lecture for Team 6, the HIV inpatient service team. Lecture title - PrEP: where we've been, where we are and where we're going.*

March - June 2010      Course Tutor - Epidemiology and      School of Public      30  
                                     Statistics for Public Health – 20      Health, University of  
                                     contact hours plus course      New South Wales  
                                     marking hours

*Weekly Tutoring for MPH course students inclusive of PhD candidates taking the course as mandatory or elective course work.*

### ***Individual Instruction***

<b><u>Date</u></b>	<b><u>Description</u></b>	<b><u>Institution</u></b>	<b><u># Students</u></b>
12/2022 - 10/2023	Undergraduate Student Research Mentor	UT Austin	1

*Emma Tao – premedicine student – research experience within TAKE on HIV program*

07/2020 – 03/2022	AETC Preceptorship program Instructor	UT Health San Antonio	4
<i>Program that provides individual instruction for those wanting practical experience in a clinic setting to learn about HIV care and management</i>			
07/2019 – 07/2020	Infectious Disease Fellow Research Mentor	UT Health San Antonio	1
<i>Trung Vu – 3rd year fellow mentee for research and some clinical mentorship with respect to HCV treatment</i>			
06/2019-08/2019	High School Student Research Mentor	UT Health San Antonio	1
<i>Emma Tao – local high school student – research experience within TACKLE HIV/HCV program</i>			
04/2019-12/2019	Bachelor of Public Health Internship	UT Health San Antonio	1
<i>Gloria Mvukire – UTSA Bachelor of Public Health graduating student mandatory internship – research experience within TACKLE HIV/HCV project</i>			

***Other Student, Resident, Fellow, Nurse Practitioner and Medical Assistant Supervision  
Inclusive of Clinical Teaching***

<u>Date</u>	<u>Description</u>	<u>Institution</u>	<u># Students/Residents/Fellows/ Clinicians</u>
2024 - 2025	Research Internship Mentor	University of North Texas Health Science Center Fort Worth	1
<i>Harrison Hu MPH Candidate: Research Internship Mentee</i>			
2023	Faculty Advisor for Infectious Disease Rapid Resources and Evidence- Based Advisory Program – End of COVID-19 Public Health Emergency Considerations	University of North Texas Health Science Center Fort Worth	4
<i>Multidisciplinary group of students from medicine, public health, pharmacy, allied health</i>			
2022	Faculty Advisor for Infectious Disease Rapid Resources and Evidence- Based Advisory Program – Monkeypox Clinical Presentation	University of North Texas Health Science Center Fort Worth	11
<i>Multidisciplinary group of students from medicine, public health, pharmacy, allied health</i>			

2019 -	Research Elective	UT Health San Antonio	1
2020	Mentor		
<i>Rebekah Muenich MS4: Research Elective and Kleberg Scholar Mentee</i>			
2018 -	Research Elective	UT Health San Antonio	1
2019	Mentor		
<i>Megan Gawlik, MS4; Research Elective Mentee</i>			
2018 -	Research Elective	UT Health San Antonio	1
2019	Mentor		
<i>Taibat Salami, MS4: Research Elective and Kleberg Scholar Mentee</i>			
2018 -	Kleberg Scholar	UT Health San Antonio	1
2019	Research Mentor		
<i>Oluyinka Olutoye, MS4: Kleberg Scholar Mentee</i>			
2017 -	Inpatient Service	UT Health San Antonio and	Approximately 5 for each 2
2019	Attending on Team 6 (HIV inpatient service) – 6 -8 weeks per year, 2 weeks at a time	University Health System	weeks of service – approximately 40 in total
<i>Internal Medicine residents, Infectious Disease Fellows and medical students rotating through Team 6</i>			
2017 -	Supervisory and clinical teaching role	San Antonio AIDS Foundation Care Clinic	5
2022			
<i>Nurse Practitioners and Medical Assistants in a community based HIV clinic</i>			

## **SERVICE**

### **PATIENT CARE:**

<b><u>Dates</u></b>	<b><u>Type</u></b>	<b><u>Description</u></b>	<b><u>Role</u></b>
