Richard McKee- UNTHSC member
Quorum – Present

Other individual in Attendance

None

IBC Chair called the meeting to order at 10:30 am

The IBC Chair reminded all members present to identify any conflicts of interest as each registration is reviewed.

This meeting is based on the expedited review request by Dr. Clark to add the following viral vectors to his approved protocol listed below.

- 1) Ad5-mSmo and Ad5-shRNA-mSmo (mouse-specific vectors targeting mouse Smo gene).
- 2) Lenti-Gli-Luc and Lenti-Creb-Luc (it's a detecting vector for in-vitro use that expresses Luciferase when the genes of interest are processed).
